

ANUBHAV SHRIJAN MISHRA

am3359@srmist.edu.in — +91-7667275993 — [LinkedIn](#) — [GitHub](#) — [Portfolio](#)
Kattankulathur, Chennai, Tamil Nadu 603203

OBJECTIVE

ECE undergraduate with a strong foundation in software engineering, DBMS and REST APIs. Proficient in AWS cloud services and version control with a focus on building scalable and reliable software solutions.

EDUCATION

SRM Institute of Science and Technology (SRMIST) B.Tech – Electronics and Communication Engineering (Data Science)	CGPA: 9.42 / 10 Full-time
Chinmaya Vidyalaya, Sector-V B.S. City, Bokaro, Jharkhand Class XII – CBSE, 2022	69.40% Full-time
Adiwasi High School, Mangrutikar Class X – JAC, 2020	88.80% Full-time

PUBLICATION

Wearable Smart Face Mask Based on Functionalized Graphene for Real-Time Monitoring of Human Respiration

IEEE Sensor Journal · Co-author with Dr. Avik Sett · Nanotechnology Domain · [View Paper](#)

- Fabricated smart face masks using curcumin and melamine-functionalized rGO coatings for real-time breath monitoring, achieving response times of 2s (cur-rGO) and 3.2s (m-rGO).

TECHNICAL SKILLS

- Programming Languages:** Python, C, SQL
- Software Engineering:** DSA, REST APIs, Application Design, OOPS, Debugging.
- Cloud & Tools:** AWS, Git, GitHub, VS Code, MySQL Workbench, KNIME, Arduino IDE
- AI & ML:** Machine Learning, Deep Learning, Classification, Scikit-Learn
- Generative AI:** Prompt Engineering, RAG, LangChain, OpenAI API
- Data Analytics:** Power BI, MS Excel, Data Preprocessing, Regression Analysis, Predictive Modeling
- Mobile Development:** HTML/CSS/JS, Kotlin, Android Studio

EXPERIENCE

- Intern – Drive Next Automotive Lab** — SRM Technologies Pvt Ltd 17 Sep 2026 – Present
 - Design a miniaturized ADAS power supply delivering up to 50 W from a 24 V truck battery with 97% efficiency, stable operation, minimal components, compact PCB footprint and compliance with automotive standards.
- Network Security Associate Virtual Internship** — Fortinet Training Institute Jun – Aug 2026
 - Completed an 8-week AICTE EduSkills virtual internship on network security fundamentals, configuring firewall policies and secure remote access using FortiGate 7.4.
- SQL and Database Management Systems Virtual Internship** — EduSkills Academy Apr – Jun 2026
 - Completed an 8-week AICTE EduSkills virtual internship on relational database design, building full-stack integrations with Node.js, FastAPI and Power BI dashboard.

PROJECTS

- Distributed Job Scheduler**
Python · FastAPI · PostgreSQL · [Live Demo](#)

2026

 - Built a PostgreSQL-backed job scheduler with retry policies, exponential backoff and Dead Letter Queue handling for fault-tolerant multi-worker job management.
- PDF Knowledge Retrieval using RAG**
Python · LangChain · [Code](#)

Aug 2026

 - Built an end-to-end RAG pipeline for semantic search and grounded PDF question-answering, exploring chunking strategies to optimize retrieval relevance and grounding accuracy.
- House Price Predictor**
Python · Pandas · Regression

2025

 - Developed a regression model predicting housing prices with 85% accuracy, using preprocessing, feature selection and cross-validation to improve generalization.

CERTIFICATIONS

- Data Structures and Algorithms** — Microsoft Feb 2026
- SQL for Data Science** — UC Davis Feb 2026
- Data Analytics Essentials** — IBM Jun 2025
- Introduction to Front-End Development** — Meta Dec 2024

MEMBERSHIP

- IEEE Electron Device Society (EDS) — SRMIST**
Senior Student Chair · Technical Member · [IEEE Membership](#)

May 2025 – Present

 - Led technical initiatives and coordinated 60+ member events, mentoring junior IEEE members and streamlining event coordination and communication workflows across the SRMIST EDS chapter.

TEST SCORES

- Database & Data Structure Test Series** — Sanfoundry Sep 2025 91%
- C Programming Test** — SRMIST IEEE / Purdue EPICS Feb 2024 90%

VOLUNTEERING

- Community Teaching Program — Saraswati Shishu Vidya Mandir, Jharkhand**
Mentored primary school students in academics as part of a community development initiative.

Jun – Jul 2025

ACHIEVEMENTS

- 3rd Position — Best Project Exhibition, SRMIST (Jul 2024)
- Best Anchor Award — Saraswati Shishu Vidya Mandir (May 2021)

LANGUAGES

- English (Professional)
- Hindi (Native)
- German (Basic)
